

COIL KLEEN

- * **FAST AND EFFICIENT REMOVAL OF METAL OXIDE FILMS, GREASE, GRIME AND DIRT**
- * **NO AGITATION OR SCRUBBING REQUIRED**
- * **PROLONGS CONDENSER LIFE**
- * **EASY AND ECONOMICAL TO USE**
- * **RINSE OFF READILY**

DESCRIPTION

A-400 is a liquid cleaner containing alkaline and wetting agent. It is designed for removing dirt, grease, grime and industrial pull out impurities commonly found in air-conditioners cooling systems.

A-400 is an excellent cleaning product widely used in commercial buildings, hotels, apartments, complexes, factories, air-conditioning repair and services companies.

A-400 may be applied by spraying, brushing, mopping or dipping. **A-400** can be used as concentrated or diluted as one part to 10 parts of water, depending on the degree of contamination.

DIRECTIONS FOR USE

Apply **A-400** until all areas have been wet. Allow it to work for 5 - 10 minutes, then hose off with water and allow to dry. **A-400** should not be used where water is not available for rinsing.

Do not use in unventilated or enclosed area.

PROPERTIES

TYPE	: Alkaline compound & wetting agent
pH	: 13 -14
FLAMMABILITY	: Non flammable
ODOR	: Mild
COMPOSITION	: Oxygenated Organic Solvents with alkaline and penetrates (Biodegradable)

WARNINGS

Not to be consumed.

Keep out of reach of children.

Read safety direction before opening.

For Industrial Use Only.

SAFETY AND HANDLING INFORMATION

Protective Measures	Wear chemical resistant gloves, safety goggles and footwear. Use in adequately ventilated areas. Wash hands with water after use. Avoid breathing in vapour.
Spillage & Disposal	Spillage is slippery. Wear gloves, confine spill and stop leak at source if possible. Pump liquid back into original container. Absorb remaining liquid with inert material such as dry sand or sawdust. Neutralize if necessary with vinegar or other dilute acid solution.
<u>FIRST AID</u> Eyes	Rinse eyes with copious amount of water for at least 15 minutes. If irritation persists, seek medical advice.
Skin	Flush with large amount of water, use soap if available. Remove grossly contaminated clothing, including shoes and launder before reuse. Seek medical attention if necessary.
If Inhaled	If overcome or affected, immediately evacuate victim from exposure area, using proper respiratory protection. Administer artificial respiration if breathing has stopped. Keep at rest. Seek prompt medical attention.
If swallowed	Rinse mouth; then drink 1 or 2 large glasses of water. Do not induce vomiting. Seek prompt medical attention. Never give anything via mouth to an unconscious person.
<u>HANDLING</u> Storage & Transportation	Product should be stored and transported in original containers. Do not store near heat, sparks, flame or strong oxidizers. Store away from strong acids and foodstuff. Keep container lid tightly closed. Store in a cool and dry area, away from direct sunlight, open container slowly to control possible pressure release.
Packaging	Supplied in 25 and 200 litres non-returnable containers.
